Description

Tired of seeking Wi-Fi hotspots? Paying too much for cellular data? Commuting by subway with no 3G signal?

Codium Labs LLC Web Site > Offline Pages Pro: Save Full Websites with Video, PDF & OfficeMore Documents Support >

What's New in Version 2.3

New in 2.3

- Improved speed and stability of full website downloads
- Improved support for HTML5 VR panos and interactive galleries

After the download, the logo of the **Offline Pages Pro** App is displayed on your device.

DOWNLOAD THE DOCUMENTS

Before using the HM Sales App for the first time, you have to download the documents of the App.

- 1) Connect your device to the **Internet**.
- 2) Open Offline Pages Pro by tapping on the logo.

3) Enter <u>http://request.hm-sales-app.de</u> in the address bar of the **Offline Pages Pro** App and open the webpage.

4) Log in by typing the required fields.

18) Go on **Save Page** (in blue) in the top left corner and return to the overview.

19) Tap on **Save Page**. The documents are now downloading.

20) After the download, tap on the **Archive** button, which you can find just left to the address bar and select **Hoffmann Mineral**.

The HM Sales App is now ready to use.

WORKING WITH THE APP

1) To open the **HM Sales App,** tap on the logo of the **Offline Pages Pro** App.

2) If you don't see the HM Sales App, tap on the **Archive** button, which you can find just left to the address bar and select **Hoffmann Mineral**.

Saved Pages Inbox
Number State, and
• Hoffmann Mineral - Function . Loading 15 of 72

3) The main page of the App is now displayed.

4) Navigate through the App by tapping on the different icons.

5) To return to the main page you can tap on the **Hoffmann Mineral** logo or tap on the **Home** button in the footer.

6) Inside the App you may create profiles, save customers, and send the documents to them.

CREATE A PROFILE

You may create profiles within the App. This is interesting if different people are using the App on the same device.

- 1) Tap on **Profile** in the header.
- 2) Tap on **Add Profile** in the box on the left-hand side of the screen.

3) Type in your Name and Email.

4) Confirm with Save.

CREATE A CUSTOMER

You may create different customers. In this way you can save the mail addresses of the customers to the HM Sales App.

1) Tap on **Profile** in the header.

- 2) Tap on **Add Customer** creating a new customer. Enter the **Name** and **Email** of the customer.
- 3) Tap on **Edit Customer** changing an existing customer.
- 4) Tap on **Remove Customer** removing an existing customer.

You can select your customers by checking them.

SENDING DOCUMENTS

You may send all documents available in the App via **Email**. It is not necessary to create the customer within the App before sending the documents.

- 1) Set up an **Email account** on your device.
- 2) Select the documents you want to send by **checking** the boxes on the right-hand side.

If you're offline, the email App will store your mail as draft and send the information when you are back online.

UPDATES

To get the latest documents and presentations from Hoffmann you have to perform Updates.

- 1) Connect your device to the **Internet**.
- 2) Open the **Offline Pages Pro** App by tapping on the logo.

3) Tap on the **Archive** button and select **Hoffmann Mineral**.

4) Tap on **Save Page** in the header.

5) Tap on **Save Page** or **Update Now**. The App is now downloading the documents.

In case you are not able to update the App, you may download all documents again. In this case go to **Page 4** of this manual and follow all steps for **Download the Documents**.

In case of problems contact:

Your responsible Area Sales Manager or info@hoffmann-mineral.com
